

Episcopal Diocese of Newark

Panama

Here We Come!

July 30—August 4, 2007

Approximate cost \$550 (scholarships are available)

This summer we will take our first diocesan youth delegation to visit our companion diocese of Panama. This trip is open to 15 youth in grades 9-12 and 2 adult chaperones. All participants must be leaders in their congregations, districts or in the Diocese.

One of the greatest purposes of this visit is for our youth and adults to share with our Panamanian companions ways that they are leaders of the Church and learn from our Panamanian brothers and sisters, as well. We will spend several days with the Diocese of Panama's youth at their camp, enjoy some time at the beach and explore Panama's rich history.

The application for the trip is due to Kaileen Alston, Diocesan Youth Missioner, by **June 15th** and may be found at <http://youth.dioceseofnewark.org/> (approximately half way down the page). For more information, please feel free to contact Kaileen at (973) 430-9991 or kalston@dioceseofnewark.org.
